Dear Mr. Sperber:

The U.S. Environmental Protection Agency (EPA) is currently performing a time-critical removal action at the Jewett White Lead Company Site under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA). The CERCLA Removal Action is located in the Borough of Staten Island, Richmond County, New York.

We appreciate having the public library as the designated administrative record facility for the Jewett White Lead Company Site. The enclosed documents should be placed in the administrative record in the public library and be available for public review. In addition, the Index of Documents should be replaced with the current Index included with this letter.

To ensure the receipt of the enclosed documents and index for inclusion in the administrative record file, I would appreciate your completion of the attached Document Transmittal Acknowledgement form. Please return this form in the enclosed self-addressed, stamped envelope.

Again, I would like to thank you for your cooperation with the US EPA in serving as a Field Repository. If you have any questions or comments, please contact me at (732) 452-6415.
